

LAZY ACRES
natural market

Thank You For Cooking With Us

Since launching our cooking classes, we've loved creating opportunities to learn, cook, and connect together. As we look ahead, we've made the difficult decision to close our cooking class program, with our final classes taking place on **Tuesday, June 30, 2026.**

This wasn't a decision we made lightly. As the demands of operating a cooking school have grown, we've determined it's no longer something we can sustainably support as a neighborhood natural market.

We're so grateful to everyone who attended a class and helped make our classrooms such a special part of our community. While the program is ending, our commitment to our customers, communities, and nonprofit partners remains stronger than ever.

ALREADY ENROLLED IN JUNIOR CHEF CAMP?

All previously purchased Junior Chef Camp sessions will be held as scheduled. We look forward to seeing campers in Hermosa in June and Encinitas in July.
